The Honorable William H. Webster  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Judge Webster:

I have recently requested the General Accounting Office, Office of Special Investigations (OSI) to review efforts made by the Government of Mexico to resolve the murder of Drug Enforcement Administration agent Enrique Camarena. As you know, Camarena was tortured and killed in 1985 by alleged narcotics traffickers in Mexico. OSI will be contacting various Federal agencies in order to develop background information on the crime for the purpose of evaluating the degree of cooperation extended by Mexican law enforcement authorities to the U.S. government in the investigation of this heinous crime.

Any and all cooperation  
you can extend to this team will be greatly appreciated.

The contact for the Office of Special Investigations is Supervisory Special Agent Jack Taylor, telephone (202) 272-5500.

Sincerely,

*Dennis DeConcini*
